NETWORK/SYSTEMS ENGINEER - EASTSIDE MEDICAL DEVICE COMPANY! (Redmond)

Spiration, Inc. d/b/a Olympus Respiratory America, is a medical device company focused on developing advanced treatment options for patients suffering from acute and chronic lung conditions, including emphysema and air leaks resulting from damaged lung tissue. We are continuing to build a dedicated team of professionals who are motivated by this opportunity to make a significant contribution to the health and well-being of others.

SUMMARY

The Systems/Network engineer is responsible for Spiration's corporate computer systems and network infrastructure, maintenance and monitoring. The Engineer works as a member of the IT team, and will provide backup support to other members within the IT department including the helpdesk function.

PRIMARY RESPONSIBILITIES

- Manages the corporate network and systems including Cisco/HP switches with multiple VLANs configured in a collapsed stacked core link aggregated to a stacked access layer, Cisco ASA, Cisco WAC/LAP solutions, Symantec Backup Exec, MS AD, Print and File services, Licensing, Symantec anti-virus, etc.
- Is the subject expert for Windows client and servers as used in a corporate setting including Win Server 2012, ADS, CA, Hyper-V, Radius via NPS, GPO, IIS, LYNC, MS Exchange 2010, DNS, DHCP, WDS. Office 365 - using DirSync integration - and WSUS etc.
- Manages Cisco Unified Communications IP solutions.
- Responsible for the Company's ISP circuits and circuit migrations.
- Writes, edits, and maintains all written IT infrastructure controls and procedures in accordance to Olympus and Spiration SOPs.
- Backup to other members of the IT department.
- Administration of Android/iOS/Windows MDM controlled smart phones and tablet devices.

- Other duties as assigned.

MINIMUM QUALIFICATIONS:

Education

- Bachelors degree in MIS/IT technology or equivalent strongly preferred.
- MS certifications a plus.

Experience

- Minimum of 6 years IT experience in a corporate environment. Experience in a regulated environment optimal.

Skills, Abilities, and Knowledge

- Advanced Cisco/HP Switching IOS, Windows client and server grade solutions, MS Exchange 2010/Outlook, IIS, SQL Server.
- Strong knowledge of IP Telephony corporate solutions.
- Experience with Seagate Backup Exec backup configurations and ASA firewalls and modern internet and server security practices.
- High level of proficiency in Microsoft Word, Outlook, Excel and PowerPoint required. Visio skills desirable.
- Service-oriented attitude, flexible and proactive towards changing needs is required. Proven ability approaching, interacting and supporting a diverse workforce including sophisticated and non-sophisticated end users. This position is exceptionally team focused and must actively contribute to a positive and innovative work environment.
- Excellent written and verbal communication skills including superior writing, composition, and English grammar skills required.
- A proven record of consistently following through on commitments. Maintains and communicates realistic schedules and meets or beats deadlines.
- Works precisely according to procedures, rules and regulations, has a passion for continuous improvement and quality.
- Demonstrates the highest ethical standards, actively promotes trust, respect and integrity in all dealings both inside and outside the Company.

Must be a non-smoker, and be able to successfully complete a pre-employment background check and drug test. **PHYSICAL GUIDELINES**

This position works indoors in a general office environment. This position requires moderate amounts of lifting (≤ 50 lbs), stretching, bending, standing, and crawling under desks. There is frequent telephone and computer use at a workstation and frequent walking throughout the workday.

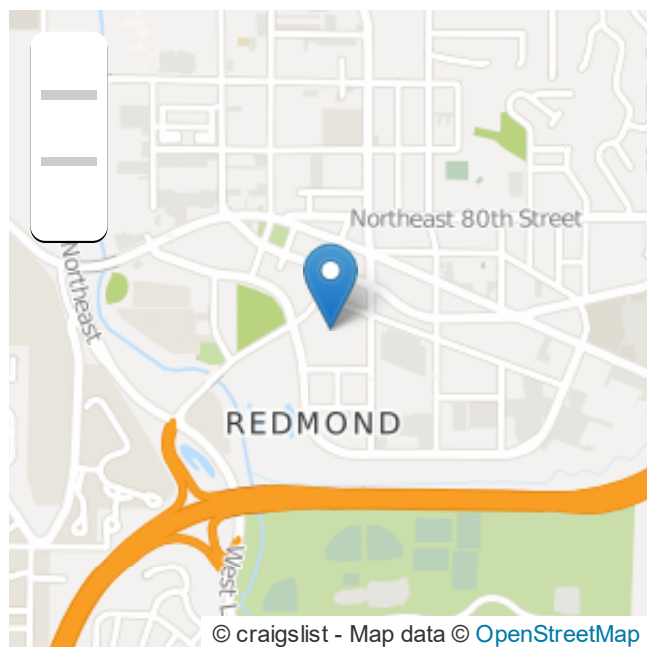

SPIRATION offers a terrific benefits package to employees that currently includes: Medical, Dental, Vision, Life, Short and Long Term Disability and AD&D insurance; annual cash bonuses; Flexible Spending Accounts; 401(k) matching; sick, vacation and holiday pay; an educational assistance program; access to the Olympus company store; and free parking.
